Lunar New Year Presentation-TCELA Director, Mickie Wong

**Special
Recognition/
Presentation**

[Presentation Link](#)

- The new year is an important time that represents hope, new beginnings, and cultural unity around the world. The start of the new year occurs at different times depending on your calendar and culture. This year the Lunar New Year began on Sunday, January 22nd and is celebrated by many Asian cultures differently; for example, with fireworks, lion and dragon dances, sharing traditional dishes, and collecting lucky red envelopes. No matter when you celebrate a new year, this time is typically filled with joy, excitement, and family gatherings.
- This year, we celebrate the year of the Water Rabbit. People born in a year of the Rabbit are believed to be vigilant, witty, quick-minded, and clever. Fun fact, Michael Jordan was born in a Water Rabbit year.
- Many of our Monarch Families celebrate the Lunar New Year and we wanted to share a part of this culture with the whole preschool by putting together a Lion Dance Performance. These lion dances are performed in ceremonies to bring good fortune for the upcoming year.
- Thanked Mr. Jerry Jambazian for capturing this moment for us- the full video is on his website at TempleCityPhotos.com.
- The second clip is of one of our preschoolers- he started TCELA only using a few English words and wanted to tell us all about the Lion Dance.
- Thanked Colin Smith for helping me merge these two videos.

Community Update

- This Saturday, January 28 TCHS will host the BirdSo Invitational Science Olympiad tournament. Volunteers needed.
- The TCHS Dance Concert will be held this Friday, January 27, 7pm at the Mission Playhouse. Tickets are available on Ticketmaster and at TCHS.
- The City of Temple City will be hosting a Lunar New Year celebration on Saturday, February 4 from 12-4 at Temple City Park.
- The coronation of the 2023 Camellia Festival Royal Court will be held on Saturday, February 11, 7pm at Live Oak Park.
- Later tonight we will be adjourning the meeting in memory of Dennis Marquardt and I'm also going to include the victims of the recent shooting, but while we have a lot of people in attendance, I would like to tell you a little about Dennis (Denny) Marquardt.
- Denny Marquardt taught at TCHS for 35 years retiring in 2005. His wife was also a teacher at TCHS. Denny was the head baseball coach for 27 years from 1971-1997. Over this span, his teams won 398 games. Marquardt's team went to CIF playoffs 20 times. His team won 10 Rio Hondo League championships. Denny's #7 was the first number retired in the history of Temple City High School's baseball program. In 1997, Marquardt was inducted into the San Gabriel Valley Coaches Hall of Fame. And on February 15, 2020, the baseball stadium at TCHS was dedicated "Dennis Marquardt Stadium".

Business Services Update

- Happy to report to the Board that our district continues to enroll students daily. We have more students this semester compared to last one. As of today, we have a total of 5,277 students in TK to grade 12. We are five students fewer than last year's census day enrollment of 5,282 and 50 students more of this year's 5,227
- Our Food Services Director, Ms. Marisol Cortez, has met school site administrators, ASB advisors and students for breakfast and lunch programs, sharing the information and seeking student input. We will review our menus and make adjustments. If students have any questions or concerns about meals, they are welcome to speak with site cafeteria managers, Food Services Director or me.
- Due to staff shortage and employee medical leave, we continue to have some challenges in the payroll division. January starts a new health benefit year. The cash in lieu benefit information was not reflected in some classified employees' paychecks that were issued today, most of them are 823 members. I am sorry for any impact it may have caused. We have sent a memo to all CSEA 823 members. The administrators have reached out to their staff. We have processed a supplemental paycheck batch today. The checks will arrive this Friday.

Richard Lohman

**Educational
Services
Update**

- Parent feedback for the pre-school and our special education program: "TCELA has been a godsend to our family. At student's previous special education preschool, we did not see any improvement with his speech or motor skills. He fought us every morning taking him, and cried every day during drop off. At TCELA, it is the complete opposite. He will actually grab his backpack and wait by the door, so excited to get to school! His teacher, aides, therapists, and the whole staff has been extremely communicative to us on his accomplishments and struggles. We are extremely blessed to see our student flourish attending TCELA!"
- After a season of performances at all the sites and continuing this Friday with the Dance Concert, I want to say thank you to our staff for all they do outside of the classroom. Our staff and students truly are amazing.
- Testing season is about to begin. While we never want to over assess our students; we will be seeing state level testing for CAASPP and the Physical Fitness Test. We will also be opening our second diagnostic in IReady. Diagnostic #2 provides some insight into how students will score on the upcoming English Language Arts and Math CAASPP testing. Teachers can use data to hold "data chats" with students to help them set growth goals, to create new groupings of students based on needs, and to communicate growth with families.

**Human Resource
Services Update**

- Attended the California School Personnel Commission Association conference this week with our Personnel Commission Vice Chairperson, Maria Garner. It was an excellent opportunity to meet, learn and network with other PC school districts. I want to personally thank our Personnel Commission members, Gina Aparicio, Ann Seitz, and Maria Garner, for their dedication and commitment to our classified staff and upholding the merit system.
- Negotiations with our three bargaining units are ongoing.

Comments**

- Wished everyone a Happy Lunar New Year
- Thanked the Council PTA for the award.
- Expressed condolences for the victims of the Monterey Park and Half Moon Bay shooting and encouraged people to advocate against gun violence
- Attended the safety meeting that was held at TCHS and I appreciate the work being done to make our schools a safer place for all.

Minutes of the Regular Meeting of the Temple City Unified School District Board of Education of
January 25, 2023

- Volunteered yesterday at the Mission Playhouse where they are rehearsing for the dance concert this Friday hopefully we have good attendance.
- Watched part of the Kiwanis Student of the Month presentation, thanked Jerry for the wonderful recognition of our students.
- Will be volunteering on Saturday for the big Science Olympiad event, thanked all the faculty, staff, administrators and volunteers that have come together to help host this event. Wished our teams the best of luck in their competition.

Member Smith

- Congratulated and thanked the presenters that were here tonight. Really nice to see the program from The Learning Center and the Lunar New Year presentation again.
- Recognized and congratulated Melissa and all the winners announced this evening. It is really nice to see that kind of recognition and it makes us a great community.
- Attended the TCELA Winter Showcase
- Attended the Holiday Boutique at TCHS
- Attended the funeral services for Leanne Frontuto, I didn't know Leanne very well but there were some really nice things said about her.
- Attended the Lunar New Year celebration at TCELA.
- On January 18th attended the Camellia Festival Ice Cream Social for the new Royal Court that was selected.
- Attended the School Services California Governor's Budget Workshop down in Long Beach and it was a three hour plus meeting and it was a lot of detail and a lot of things are looking good but not locked in.
- On January 22 participated in the Kiwanis Students of the Month call, it was a really nice presentation by Jerry.
- Posts on Parent Square have a lot of talk about the "Kindness Challenge" wasn't aware of it before. Had a chance to take a look at all these things they literally provided a list of ways to be kind.
- Shared condolences for the families and relatives and of the victims of the Monterey Park and the Half Moon Bay shootings.
- Thanked the 59 people and organizations that made donations totaling 4,436 dollars.

Member Sneed

- Enjoyed all the Holiday programs before the break. Thanked all the students and staff who worked so hard on them.
- Attended the Governor's Budget Workshop last week. Although the budget shows a deficit, it's encouraging that the governor understands the importance of supporting CA schools.
- Thanked the groups for the presentations about the DDSLC programs and Lunar New Year. Speaking of Lunar New Year, I enjoyed the celebration at our preschool. The students and families had a great time.
- Sending condolences to the families in Monterey Park who lost loved ones to violence as they were celebrating the Lunar New Year on Saturday.
- Congratulated the Honorary Service Award recipients tonight and thanked the Kiwanis for honoring our students last night.

Minutes of the Regular Meeting of the Temple City Unified School District Board of Education of
January 25, 2023

- Looking forward to hearing more about the new course offerings at the high school we're getting reports on tonight.
- We will be honoring the Week of Our School Counselors in early February. Thanked our counseling staff for doing a great job helping our students during the pandemic and as they transitioned back into our classrooms.
- Thanked our site administrators for the work you did preparing your SARC reports. Our schools are in great hands.
- Glad we can continue to support our performing arts programs. While so many districts are cutting the arts, we continue to have a thriving program.
- Lastly, wished everyone a great 2023. I hope it's a great year for everyone.

Member Georgino

- Congratulated all the students from our Temple City schools that were able to participate in the Tournament of Roses Parade and the other activities. I know we had a big presence in the Tournament of Roses this year so congratulations to all those students.
- Attended two Kiwanis students of the month presentations – in December and January always such a fun thing to do. I think one of the things I like the best is to hear the students talk about their teachers and their schools.
- I participated in the LACSTA meeting on Monday. They made a video about school safety which they showed to the parents, and I think put on the website and I thought that was kind of a unique way of communicating with the parents and the families.
- Attended the Governor's Budget Workshop last week.
- Attended the City/District Standing Committee Meeting last week with the city personnel. Matt and I are on that committee and we met with two of the council members, city manager, Connie Wu and Art Cunha. There was also good news that the city is building more housing so hopefully that means more students for us.
- Attended the Camellia Festival Ice Cream Social.
- Attended the Lunar New Year celebration at the Early Learning Academy and thanked Mickie's family for sponsoring – asked her to please extend a special thank you to her parents.
- Attended the Longden holiday program.
- Attended the La Rosa holiday program.
- Attended the Oak Avenue holiday concert.
- Attended the Cloverly and Oak holiday dance performance
- Attended the holiday program at the Early Learning Academy and the holiday Boutique at Temple City High School and the elementary holiday concert which really got me in the holiday spirit. So thank you to everybody!

Member Bell

- Wished everyone a Happy Lunar New Year and also a Happy New Year in general.
- Appreciates everything that Mickie Wong has done on behalf of our TCELA program, it is truly world class in my eyes.
- Thanked Bob for all his work at the DDSLC and for the presentation this evening.

Minutes of the Regular Meeting of the Temple City Unified School District Board of Education of
January 25, 2023

- Attended the Rose Parade to see our students that were in it.
- Appreciated the Safety Meetings that are taking place at TCHS.
- Congratulated Member Espinoza on receiving the Golden Oak Award.
- Plans to attend the Dance Concert on Friday evening which always brings are students and community together.
- The district is hosting a rather large Science Olympiad Invitational Tournament at Temple City High School and Oak Avenue Intermediate. I never thought in my wildest dream that we could actually do that and I'm absolutely ecstatic that our kids are getting these types of opportunities. This is a great opportunity for them so we look forward to that and putting a positive spotlight on our city, our community and our district.

Amir King

- Wished families and staff in the District a Happy Lunar New Year and a Happy 2023.
- Thanked the schools from the Dr. Doug Sears Learning Center for their presentation as a reminder of all the programs the district provides and its impact.
- Thanked Ms. Wong and the Temple City Early Learning Academy for sharing their Lunar New Year.
- Spoke on the recent Monterey Park mass shooting and the need for the community of Temple City to stay strong and supportive in these tough times.
- Congratulated Mrs. Espinoza & PTA Award Honorees for Awards, on their dedication to the students of Temple City.
- Expressed excitement towards new course proposals.
- Highlighted the work of those involved in the Dance Concert and encouraged attendance at the event.
- Wished Temple City's Science Olympiad the best of luck at this weekend's competition.

The recent tragedies are just so disheartening, it is really rough to think about the world that we are sending our kids into and whether you have your own kids or you're talking about the kids that we're responsible for. The world has changed and not for the better. I agree that it is a scary time, and we are going to continue to do our part to try to ensure the safety of all of our students. The threats of violence even mental violence at the school site are taken seriously because you know one thing leads to another. I feel that this is a result of the fact that people are just not as kind to one another as they should be. Appreciates Matt noting of the "Great Kindness Challenge" this week. This morning he woke up and checked email and had an email from a Longden student thanking him for how we are running the district, it was part of his kindness Challenge. It was still nice to receive an email saying thank you. On Monday we started our school day at La Rosa by finding out that the power was out, and this was not ideal, so I went with Richard to the site along with a couple of other folks making sure that that things were okay for students. Walked into some classrooms and they were dark and there was obviously no heat it was cold in the morning but in talking to a lot of the staff they said, "hey we got this, and we'll adapt". Had the office staff going around to classrooms bringing them supplies because the lesson was going to shift for the day since

**Superintendent
Comments**

they didn't have light and it was only out for a couple of hours thankfully but just the attitude of folks saying we got this and adapting and understanding that this was not something that we planned or intended to happen. I appreciate everybody stepping up and doing the best they can in the situation that we were in.

Thanked our food services staff stating it is hard for me to listen sometimes to the negativity surrounding our food services program and part of it is because their competition is McDonald's and Jack in the Box all things that are not nutritious. They are required to provide a nutritious meal for our students and sometimes nutritious does not equal taste and that is something they are working on. I started to realize you know thinking back watching cartoons and kids shows, kids are ingrained before they even enter school to not like school lunches because every cartoon depicts a lunch lady or a cafeteria manager in a certain way. I appreciate how on the Kiwanis meeting last night Bob Westgate, who is here, talked about how great the pizza is and one of the things that I remember doing as a principal was to make sure that I would have a school lunch at least once a week and sit down with the kids in the cafeteria and eat because if they saw me eating it would change the perception of school lunches. We have some really hard-working people who take these things personally when students talk about their lunches, so as part of the "Kindness Challenge" I would just ask that people thank our food services staff and understand what it is that they go through on a daily basis.

Thanked our Union leadership and really appreciate the fact that we are able to communicate issues with you. We appreciate your understanding and flexibility along the way so thank you for that.

There was one written communication letter received.

Member Georgino received a written communication from Los Angeles County Office of Education (LACOE) regarding the district's eligibility for Differential Assistance under California's accountability system. They are basically letting us know that we meet the criteria for one student group which is students with disabilities to receive some assistance to help improve test scores and chronic absenteeism.

California Dashboard Update (Richard Lohman)

[Presentation Link](#)

What is the California School Dashboard?

- The California School Dashboard is one part of California's comprehensive accountability system for schools, district, and county offices of education that reports performance and progress yearly.

TCUSD Dashboard for 2021-2022

- The 2022 Dashboard reflects data from the 2021-22 school year when the educational system was recovering from a variety of challenges related to the COVID-19 pandemic. The data demonstrates the difficulties evident throughout the system in terms of attendance, achievement, and engagement.

2022 Dashboard: A Restart

- The 2022 Dashboard is a restart, the performance of TCUSD students in 2021-2022 establishes a new baseline.

Minutes of the Regular Meeting of the Temple City Unified School District Board of Education of
January 25, 2023

Shared and compared the two Dashboards
TCUSD is headed in the right direction

- Overall performance in the district is mostly favorable. As we break down sites and student sub-groups, we see areas of growth that each site is building a plan to address.
- *Keep in mind that these scores are baselines that we will measure future growth.*
